

Privacy Policy

1. Introduction

This Privacy Policy explains how BetaManufacturing LLC (“we”, “our”) collects, uses, and protects your information.

2. Information We Collect

We may collect personal information such as name, email, phone, and company details when you request a quote or contact us. We may also collect technical files (STEP, STL, DXF, PDF, etc.) for manufacturing purposes.

3. How We Use Information

Information is used solely to provide quotes, fulfill orders, and communicate with customers. We do not sell or rent your information to third parties.

4. Data Security

We implement reasonable technical and organizational measures to protect customer data. However, no method of transmission over the Internet is 100% secure.

5. Sharing of Information

We may share information with trusted service providers only as necessary to provide services. We may also disclose information if required by law.

6. File Handling

Customer design files are used only for manufacturing purposes and stored securely. Files may be deleted upon request after project completion.

7. Your Rights

You have the right to request access, correction, or deletion of your personal information.

8. Updates

We may update this Privacy Policy from time to time. Changes will be reflected on this page.
